

The last 2 ½ years have changed me. I've been seeking God's will and I feel like he has revealed part of His plan to us. I believe I am a tool of God but I wasn't ready or willing. I think I was brought here to be taught and to be broken. I've realized there is so much more to life than what I've been living.

You've loved us and have loved our children. We've met incredible friends and have been blessed by the most selfless congregation that we've ever known. It's because of every part of this body that I'm changed. Especially the youth. You are incredible! Don't ever underestimate your influence.

Please pray for us that God will continue to reveal His will for us and that we will remain open to hearing Him and not fall into the trap of thinking only of ourselves.

We are so sad to leave but confident that God will use us and we are so grateful to have been given the opportunity to know you.

To us – you have absolutely been the hands and feet of Jesus.
